N. S. IYENGAR,
Deputy Commissioner,

OFFICE OF THE PRESIDENT, DISTRICT BOARD, CHITALDRUG.

Notification No. C. 233—34-35, dated 30th December 1934.

It is hereby notified for the information of the public that the Chitaldrug District Board have resolved to revise the following draft rules for the occupation of the 3rd class Travellers' Bungalows and Musafirkhanas in the District. Objections, if any, for adopting the same may be preferred in writing to the undersigned within one month from the date of publication of this notification in the *Mysore Gazette.* Objections received thereafter shall not be taken into consideration.

RULES REGULATING OCCUPATION OF THE THIRD CLASS TRAVELLERS' BUNGALOWS AND MUSAFIRKHANAS IN THE DISTRICT.

1. The bungalows are for the temporary occupation of the Travellers.
2. The fee per diem for each person occupying a separate room is annas eight. Two or more persons occupying the same room will pay three-fourths of what otherwise each would have to pay.
3. A person occupying a room in III class bungalow with his family shall pay Re. 1 per day and in Musafirkhana he shall pay twice the prescribed fee per room.
4. Travellers passing the night at the bungalow will pay the full fee.
5. Travellers occupying the bungalows for more than one hour but less than 12 hours between 6 A.M. and 9 P.M. are subject only to half fee.
6. Travellers alighting for not more than an hour and taking no meal are subject to no fees. Travellers alighting at a bungalow for not more than an hour but taking their meal there should pay half fee if the meals have been cooked in the bungalow.
7. Officers in service of Government are subject to the same fees for occupation when travelling on duty as under other circumstances. But those drawing a salary of Rs. 200 and

under as also of the Postal Department of the similar status will be charged with half the full fee when travelling on duty.

This rule does not apply in the case of musafirkhanas where full fee is to be paid.

8. No one may occupy the same bungalow or rooms in the same Musafirkhana for more than three consecutive days if the accommodation is otherwise required without obtaining permission to do so from the President of the District Board and no one shall occupy the same for more than eight days without previously obtaining permission of the President in writing. Any person infringing this rule will have to pay Re. 1 per room per day from the date of his occupation till he vacates the same.

9. No person may occupy more than one room when the others are in demand.

10. The kitchens for high caste hindus attached to the Travellers' Bungalows and musafirkhanas are intended to be used exclusively by the vegetarian Hindus and this rule shall invariably be enforced.

11. No part of a bungalow or of the compound attached to it shall be used nor any of its servants be employed without payment of the prescribed fee; but a traveller not making use of the bungalow but merely pitching his tent within the compound or merely using such of the out houses as are not required by those occupying the bungalow will be charged half the ordinary fees.

12. Where a traveller does not himself occupy a bungalow or compound but only pickets his horses, ponies or bullocks or keep a motor car in the stable or garage or compound, a fee of two annas per diem will be charged for each horse, pony, pair of bullocks or motor car so picketed or kept in the stable or compound or garage.

13. Travellers are prohibited from sheltering their horses or other cattle or vehicles within the verandahs of the Bungalows. Only the personal luggage of the travellers will be admitted into the bungalow compound.

14. Travellers will be held responsible for the damage done by themselves or by their servants to the bungalows or its furniture or other articles. All articles injured or broken must be paid for prior to the traveller's departure according to the rate fixed by the President *i.e.* the actual cost price.

15. The caretaker or watchman in charge of the bungalow or musafirkhana is bound to assist travellers in procuring supplies for ready money.

Note.—Supplies should on no account be made to strangers except when paid for on the spot.

16. In the printed form or book kept in the bungalow or musafirkhana for the purpose travellers are requested to enter their names, dates and hours of arrival and departure and the amount of fees paid together with their addresses. Persons claiming concession under rule 6 *supra*, shall enter in the register their designation, pay and state if they are " on duty " also. Otherwise full fee will be collected.

17. The President, District Board, is the referee in all cases of dispute. Travellers who have any complaints to make should address that officer by a letter or enter their complaints in the ' remarks column ' of the printed form or book, which they pay the Bungalow fees.

18. All fees and demands in accordance with the foregoing rules must be paid by the travellers before leaving the bungalow. Any irregularity or inconvenience or other supposed cause for exemption from the regulated payment being referred to the President, District Board.

19. It is the duty of the person in charge of the bungalow to report all cases of violation of the foregoing rules. The Sanitary Inspector should report at once to the President, District Board, any mal-treatment of the bungalow servants and generally any deviations from these rules which may come under his knowledge or brought to his notice by the person in immediate charge of the bungalow. The master will be held responsible for any infringement of the rules by his servants.

The correct rule of calculations where more than one person occupy the same room in a Travellers' bungalow is as follows :—

(1) In case of musafirkhanas this rule does not apply. Full scheduled fee must be paid by each occupant.

(2) First determine what fee will be payable by each person if no ground for exceptional treatment existed. Then make the necessary allowance in respect of that particular person who is entitled to exceptional treatment. The result will indicate the fee payable by each.

(*a*) Thus taking the case of an officer drawing Rs. 200 and under the halting at a III class T. B. along with his family in the same room, it will be seen that, while the latter must pay 6 annas per diem the former need only pay 3 annas for the same period.

(*b*) Where two Government officers drawing not more than Rs. 200 each, occupy the same room in a bungalow, each would pay 3 annas per diem.

(c) Where none of the joint occupants is entitled to the concession allowed by rules, each will pay 6 annas per diem.

(d) Where one of them is entitled as aforesaid but the other is not, the fee will be 3 annas and 6 annas respectively as in the case of (a).

President.
